

This year - 2011 we will be offering three different classes.

The first is a single class for those that require help and tuition in using their sewing machine.

We will also be running the very popular Beginners course and the Intermediate course.

All classes and courses are held Upstairs at The Cloth store 24b, Carfax Horsham  
Phone: 01403 211786

### How to use your machine

This is a single class for those that have a sewing machine, and lack the knowledge or confidence to use it properly. Each person will enjoy one-to-one attention with their machine to enable them to understand how to use it.

This class runs from 7.00 -9.30pm on Monday evenings Price £35

### Beginners Dressmaking Course

This is a 6 week course in which you will start from scratch by learning how to read and understand a sewing pattern. Through the course, students will prepare, cut and make-up a garment using the pattern which is provided to each person.

Courses run from 7.00 -9.30pm on Thursday evenings Price £150

### Intermediate Dressmaking course

is intended for people who have either attended our Beginners course, or those with good basic dressmaking skills who are looking to improve and extend their dressmaking ability.

In this course students will expand their sewing skills and learn a number of new techniques whilst making a blouse with set-in sleeves, facings, button-opening and collar. Sewing pattern is provided.

Courses run from 7.00 -9.30pm on Wednesday evenings Price £150
